INTRODUCTION1. Introduction.

The terms and conditions of this KVH Airtime and OneCare Technical Assistance End User Agreement (“**Agreement**”) apply to any and all Airtime Services and OneCare Technical Assistance Packages made available by KVH Industries, Inc., including any of its wholly owned subsidiaries (“**KVH**”). This is a contract between KVH and you as a subscriber (“**Subscriber**”) of one or more KVH Airtime Service and/or OneCare Technical Assistance Package (individually and together, the “**Services**”).

2. Agreement Content.

By purchasing Services from KVH, Subscriber agrees to abide by the terms and conditions of this Agreement and the terms of the Activation Order, applicable pricing plan and/or rate sheets associated with the particular Services selected by Subscriber on the Activation Order. KVH shall not be bound by Subscriber’s terms and conditions in Subscriber’s purchase order with Service Providers or elsewhere.

3. Service Description.

An “**Airtime Service**” may consist of any form of communications service or content, such as Internet access, voice, data, software, facsimile, programming, and video supplied by KVH and its Service Providers. The Airtime Service may also consist of a Voice over Internet Protocol (“**VoIP**”) service supplied by KVH (“**VoIP Service**”), but excludes VoIP services provided by third parties, which are prohibited by the terms of this Agreement. KVH also provides a cellular roaming service, which is made available through a third party Service Provider under a separate contract and is not a part of the Airtime Service. KVH may supply the Airtime Service to Subscribers using networks and communications content of various Service Provider(s).

A “**OneCare Technical Assistance Package**” (i) may consist of one of three levels of subscription-based operational support services, including Standard Technical Assistance, Premium Technical Assistance, and Global Technical Assistance, and (ii) is required to be purchased in connection with Airtime Services for all Eligible Products. “**Eligible Products**” shall mean with respect to Standard Technical Assistance, stand-alone KVH mini-VSAT Broadband TracPhone VV-IP terminals and with respect to Premium and Global Technical Assistance stand-alone KVH mini-VSAT Broadband TracPhone VV-IP terminals or KVH mini-VSAT Broadband TracPhone Product Integrated Solutions. “**KVH mini-VSAT Broadband TracPhone Product Integrated Solution**” shall mean the KVH mini-VSAT Broadband TracPhone VV-IP terminal installed with any of the following: KVH TracPhone FleetBroadband antenna system, KVH TracPhone Fleet One antenna system, TracVision marine satellite television antenna system, IP-MobileCast media servers or third party equipment sold by KVH. Standard Technical Assistance is not available for KVH mini-VSAT Broadband TracPhone Product Integrated Solutions. The OneCare Technical Assistance Package may be supplemented with additional non-subscription support services, including OneCare Application Engineering, OneCare Solution Deployment, and OneCare Preventative Maintenance (“**OneCare Professional Services**”). The OneCare Professional Services are not automatically included in the OneCare Technical Assistance Package and are governed by KVH’s Professional Services Terms and Conditions, and not by this Agreement.

4. Definitions.

In this Agreement, capitalized terms have the meanings given to them when they are first used or the meanings given to them in this [Section 4](#) (Definitions). “**Activation Order**” means the form Subscriber completes, signs and submits to order Services from KVH. “**Service Provider**” means any third party provider of networks, communications services, or support services used by KVH to provide the Services, including satellite and gateway services, and related terrestrial networks, and includes the affiliates, resellers and agents of such third parties.

SUBSCRIBER’S ACCOUNT5. Subscriber Representations.

Subscriber represents to KVH that: (a) Subscriber or the person executing this Agreement on behalf of Subscriber is over the age of eighteen (18) years and has the power and authority to enter into and perform Subscriber’s obligations under this Agreement; (b) Subscriber will comply with all terms and conditions of this Agreement and the terms of the Activation Order, applicable pricing plan and/or rate sheets associated with the particular Services selected by Subscriber; (c) all information provided by Subscriber to KVH on the Activation Order or elsewhere is truthful, accurate and complete; and (d) Subscriber will notify KVH promptly of any changes in such information.

6. Security Deposit.

In addition to information supplied by Subscriber, KVH may obtain Subscriber credit information from trade references and credit reporting agencies, and such other sources as KVH deems necessary or appropriate. Based on this information and other factors KVH deems relevant to Subscriber’s creditworthiness, including without limitation Subscriber’s payment history and/or usage patterns, KVH may require Subscriber to make a security deposit as a payment guarantee. Such deposit shall be subject to increase or decrease as KVH deems necessary (including based

upon unusual or excessive usage) and shall not accrue interest unless required by law. Such deposit is not a credit against any payment obligations. KVH will refund Subscriber’s deposit upon termination of service. At KVH’s sole discretion, Subscriber may receive Services prior to a credit review without waiving KVH’s right to demand a security deposit from Subscriber, and Services may be discontinued by KVH should Subscriber not satisfy KVH’s security deposit demand.

7. Operation of Subscriber Account.

Subscriber shall promptly notify KVH of any changes in Subscriber’s account information. All invoices and important notices are sent to Subscriber via electronic mail at the address indicated on the Activation Order and not receiving these documents will neither release Subscriber of its obligations under this Agreement, nor be deemed a valid excuse for non-payment. Failure by Subscriber to provide KVH with accurate, complete, or updated account information in writing shall constitute a material breach of this Agreement, and may result in immediate termination of this Agreement or suspension of Subscriber’s account by KVH. Subscriber may designate another person as an authorized representative of Subscriber’s account on the Activation Order or by completing, signing, and submitting to KVH an Additional Authorized Representative Form. If Subscriber makes such designation, Subscriber gives KVH permission to (a) provide account information and services directly to such person to the extent such information and services would otherwise be available to Subscriber, and (b) permit such person to act on Subscriber’s behalf to perform the account functions listed on the Activation Order or the Additional Authorized Representative Form (as applicable). Subscriber may also notify KVH in writing at any time of Subscriber’s designation of a KVH approved Service Provider with authorization to view Subscriber’s vessel(s) via myKVH Web Portal (as defined below) by completing, signing, and submitting to KVH a myKVH Portal Authorized User Form. If Subscriber makes such designation, Subscriber gives KVH permission to (a) provide such Service Provider with access to Subscriber’s vessel and equipment information for service management purposes to the extent such information would otherwise be available to Subscriber, and (b) allow such Service Provider to perform the specific functions listed on the myKVH Portal Authorized User Form. Subscriber agrees to accept responsibility for all decisions, actions, and changes (if applicable) made by an authorized representative of Subscriber’s account or authorized myKVH Portal user. Subscriber agrees to reimburse, indemnify and hold harmless KVH for any and all costs, expenses and reasonable attorney’s fees incurred by KVH in defending any claims relating to or arising out of any decisions, actions, and/or changes (if applicable) made by an authorized representative of Subscriber’s account or authorized myKVH Portal user. Subscriber may remove an authorized representative or authorized myKVH Portal user at any time by notifying KVH in writing. Subscriber requests to start, change, or discontinue Service will be accepted by KVH only from Subscriber or its authorized representative.

RESALE AND THIRD PARTY USE8. Resale and Third Party Use.

Subscriber shall not re-sell the Services or provide the Services to any third party for consideration without KVH’s prior written consent. KVH reserves the right to terminate this Agreement in the event of unauthorized resale by Subscriber.

Subscriber shall be fully responsible for the compliance of its employees, crew, customers, and other individuals designated by Subscriber as eligible to use the Services with or without consideration (collectively referred to as the “**Third Party Users**”) with all of the relevant terms and conditions of this Agreement, including but not limited to the first paragraph of this [Section 8](#) (Resale and Third Party Use), [Sections 9 and 10](#) (Equipment), [Sections 11 through 18](#) (Use of Airtime Service), [Sections 19 through 21](#) (Subscriber Information and Privacy), [Section 22](#) (Proprietary Rights), [Sections 29 through 35](#) (Warranties and Liabilities) and [Sections 46 through 70](#) (Service Specific Requirements); and Subscriber shall require its Third Party Users to enter into a binding agreement with Subscriber requiring them to comply with the above listed terms as a condition of their use of the Services. Subscriber acknowledges that, if a Third Party User fails to comply with the above listed terms of this Agreement, KVH shall have the right to limit, modify, suspend or terminate the Services just as it would for non-compliance by Subscriber.

EQUIPMENT9. Terminal Equipment.

In order to access the Airtime Services, Subscriber will require a two-way satellite antenna and other associated terminal equipment (potentially including, but not limited to, servers, terminals, set top boxes, modems, and the Commbox), that is certified and type-approved by KVH for use with the Airtime Service (“**Terminal Equipment**”). Subscriber, at Subscriber’s expense, shall be solely responsible for purchasing or leasing the Terminal Equipment from KVH or an authorized provider, and maintaining, operating and safely and securely storing the Terminal Equipment. Subscriber shall use only the Terminal Equipment with the Airtime Service. Subscriber shall not modify the Terminal Equipment in a manner that violates this Agreement or would otherwise alter the transmission characteristics of the Terminal Equipment. KVH may, for network management purposes and to improve the Service, communicate with Subscriber’s Terminal Equipment over

the network without Subscriber's knowledge for such purposes as to direct the Terminal Equipment to initiate, cease, or modify its communications with the network; perform software upgrades to the Terminal Equipment; test hardware, software, and satellite signal configurations; and monitor, log, and analyze satellite signal performance, vessel location, and environmental conditions.

10. Subscriber Equipment.

Subscriber, at Subscriber's expense, shall be solely responsible for providing, maintaining and operating all other software, hardware and communications equipment used to access the Service ("**Subscriber Equipment**"). KVH makes no guarantee as to, and bears no responsibility for ensuring compatibility of Subscriber Equipment with the Terminal Equipment and the Airtime Services.

USE OF AIRTIME SERVICES

11. Subscribers' Liability for Use, Misuse, Unauthorized Use or Theft of Airtime Services.

Subscriber shall be solely responsible and liable for unauthorized use of Subscriber's account whether fraudulent or otherwise. Subscriber acknowledges that the prices for the Airtime Services may include both monthly fixed rates for data transmissions up to a maximum ceiling and additional overage charges for data transmissions in excess of the monthly maximum limit. Subscriber further acknowledges that certain Airtime Services, such as video programming services, may be subject to separate fees such as on a per viewing basis. In addition, certain communications, such as voice calls, may be subject to transmission and/ or termination charges imposed by third party Service Providers. Subscriber shall be solely responsible for payment of all charges, including any monthly fixed and overage charges, all charges for individual programming and content services, and any fees for transmission and/ or termination of data or voice communications. Subscriber is solely responsible to supervise and control the consumption and use of the Airtime Services. It is Subscriber's sole responsibility to ensure that all Terminal Equipment and Subscriber Equipment is properly configured for the particular Airtime Service that Subscriber has selected, and has a continuous source of power and connection to the Airtime Service and Terminal Equipment to receive software and content updates. It is Subscriber's sole responsibility to gain an understanding of the technical aspects, use, and operation of the Terminal Equipment, and Subscriber Equipment as well as the details and terms of the Airtime Services and the associated rates. KVH and its Service Providers are not to be held liable and are not responsible for any misuse of the Airtime Services or any non-compliant configuration of the Terminal Equipment and Subscriber Equipment used to provide the Airtime Services and Subscriber is solely responsible for any excess consumption or overage of the Airtime Services that results from such misuse or non-compliant configuration. KVH shall not under any circumstances abate or refund charges to Subscriber's account arising from the fact that, or on the basis of Subscriber claims that, Terminal Equipment or Subscriber Equipment was not properly configured at the time charges were accrued. Subscriber shall notify KVH immediately in writing if Subscriber sells, gives away or otherwise transfers the Terminal Equipment to another party, or if the Terminal Equipment is stolen or otherwise removed from Subscriber's vessel or other such vehicle or platform approved by the appropriate Service Provider. Subscriber is considered the registered recipient of the Airtime Services until KVH receives such notice in writing and terminates service, and Subscriber will be liable for any charges or fees incurred by any use of the Airtime Services up to the time that KVH receives such notice in writing and terminates service, unless otherwise provided by law. Subscriber shall provide a police report of any theft upon KVH's request. Subscriber will not be liable for charges and fees incurred by unauthorized use after KVH has received Subscriber notification and terminated service.

12. Unacceptable Use of Airtime Services.

Subscriber agrees not to engage in unlawful or unacceptable use of the Airtime Services, which shall be determined in KVH's sole discretion, including without limitation: (a) posting, disseminating, storing or transmitting duplicative or unsolicited messages, chain letters, pyramid schemes, or unsolicited e-mail (commercial or otherwise); (b) posting, uploading, disseminating, storing or transmitting material of any kind or nature that, to a reasonable person, may be abusive, obscene, harmful, hateful, pornographic, defamatory, harassing, libelous, deceptive, fraudulent, invasive of another's privacy, grossly offensive, vulgar, threatening, malicious or racially, ethnically or otherwise objectionable; (c) obtaining unauthorized access to data, systems or networks, including any attempt to probe, scan or test the vulnerability of a system or network or to breach security or authentication measures; (d) unauthorized monitoring of data or traffic on any network system; (e) interfering or disrupting service to any other user, host or networking, including mail bombing, flooding, attempts to overload a system, and broadcast attacks; (f) forging of any TCP-IP packet header or any part of the header information in an e-mail or newsgroup posting; (g) relaying mail via another site's mail server without express permission of that site; (h) canceling any postings or messages other than Subscriber's own, except for postings in Subscriber's name that have been forged; (i) impersonating any person or entity, including any KVH employee or representative; (j) disclosing Subscriber's password or other means for accessing

the Service to any third party, or otherwise facilitating unauthorized access thereto; (k) using the Airtime Services where they are not authorized; (l) furthering criminal activity; (m) connecting and using a non-KVH marketed and approved VoIP service; (n) using the VoIP Service for forwarding US toll-free numbers internationally; or (o) duplicating, using before or after the valid viewing dates, or otherwise violating the copyright and distribution agreements for programming available through the Airtime Services. Subscriber's unacceptable use of the Airtime Services shall be a breach of this Agreement.

13. Airtime Services Limitations.

Subscriber is responsible for abiding by all international and jurisdictional rules and regulations regarding the transport and use of the Terminal Equipment and of the Airtime Services. The Airtime Services may be used in international waters and to the extent permitted, within the territorial waters of various countries. Subscriber is responsible for ensuring that the Services are used only within the territorial waters of countries that permit such use. Subscriber acknowledges that the definition and geographic size of territorial waters for purposes of these limitations varies from country to country. Subscriber also acknowledges that some countries such as the United States permit the unlimited use of the Airtime Services in their territorial waters, while others may allow use of the Airtime Services only on a temporary basis while transiting their waters and others may not allow use of the Airtime Services in their territorial waters at all at this time. The current status of the authority to operate the Airtime Services in individual countries is listed at www.kvh.com/licenses, which status is subject to change from time to time. This list is provided for convenience only and is non-binding on KVH, and KVH has no obligation to update the same.

14. KVH Status.

Subscriber acknowledges that KVH makes the Airtime Services available using satellite and telecommunications networks, programming content, and other services provided to KVH by third party Service Providers. The networks and content vary with regard to technology, configuration, Terminal Equipment, and/or Subscriber Equipment to be used and with regard to application possibilities. An Airtime Service can only be used in relation to the network of the applicable Service Provider. KVH's ability to make the Airtime Services available is therefore derived from and limited by the terms of the agreements between KVH and the Service Providers. KVH will at all times have the right to take measures and/or give instructions to Subscriber that KVH or its Service Providers deem reasonably necessary in order to prevent and/ or correct faults in the Airtime Services, which Subscriber shall use commercially reasonable efforts to follow. KVH also has no control and no responsibility or liability over the manner in which Airtime Services are delivered and provided. The Airtime Services and this Agreement will automatically terminate if KVH's agreements with applicable Service Providers terminate, or if KVH ceases to provide one or more of the Airtime Services to subscribers.

15. Airtime Services Availability.

Given ongoing changes to satellite and terrestrial technologies and fluctuations in usage, accurately predicting daily download and upload data transfer rates is not currently feasible. Published data rates are rate plan maximums and may vary in different regions and conditions. Subscribers will typically experience speeds ship-to-shore that are seventy to eighty percent (70-80%) of the published data rates. Subscriber acknowledges that, from time to time, the Airtime Services may intermittently encounter variations in data transfer rates because of factors which may include but are not limited to the time of day and congestion on the Internet and/or network as a whole, Subscriber's own network configuration and usage patterns, and maintenance and upgrade procedures or repairs which KVH and/or its Service Providers, including its satellite operators, may undertake from time to time, including grooming or transition of satellites. Subscriber further acknowledges that the operation of the Airtime Services may not be continuous, uninterrupted or error-free. Without limiting the foregoing, the Airtime Services may become unavailable or limited because of network equipment failures, capacity limitations of a Service Provider, emergency pre-emption as required by governmental authorities who have jurisdiction over Service Provider's systems, or periodic or emergency maintenance conducted by KVH or a Service Provider for modifications, upgrades, repairs, and similar purposes. The Airtime Services are also subject to transmission and reception limitations caused by: (a) service area limitations, including without limitation, changes to the satellites used to provide the Airtime Services, or the coverage patterns of the satellites or topographical conditions, whether man-made or natural that obstruct the line of transmission between the Terminal Equipment and the Airtime Services; (b) the condition of Terminal Equipment or Subscriber Equipment; (c) Acts of God and other causes beyond the control of KVH which are not reasonably foreseeable by KVH; (d) weather conditions; (e) atmospheric conditions (i.e., space debris, solar flares, and other atmospheric anomalies or disturbances); (f) magnetic interference; (g) environmental conditions; and (h) other like conditions. Given these limitations, Subscriber is solely responsible for management of its Subscriber data, including but not limited to back-up and restoration of that data. KVH and its Service Providers are not responsible for the loss of Subscriber data or for the back-up or restoration of Subscriber data.

16. Security.

The Internet is an inherently insecure medium and KVH does not represent, warrant or guarantee the security or integrity of any communications made or received using the Airtime Services. Subscriber shall be solely responsible and liable for the security, confidentiality and integrity of all messages and the content that Subscriber receives, transmits through or stores on the Airtime Services. Subscriber shall be solely responsible and liable for any authorized or unauthorized access to Subscriber's account by any person. Subscriber agrees to bear all responsibility and liability for the confidentiality of Subscriber's password and all use of the Airtime Services with Subscriber's password.

17. Internet and Programming Content.

Subscriber acknowledges that Internet sites, video programming, and other content, might consist of, include and/or provide access to images, sounds, messages, text, service or other content and material that may be unsuitable for minors and that may be objectionable to many adults. Subscriber acknowledges that access to the Internet and video programming content through the Airtime Services is at Subscriber's sole risk. The reliability, availability, legality, performance and other aspects of resources accessed through the Internet are beyond KVH's reasonable control and are not in any way warranted or supported by KVH or its Service Providers. KVH does not endorse and is not responsible or liable for any content, advertising, products, or other materials on or available from sites or resources available through the Airtime Services, including the accuracy or reliability of any material or claims contained therein. Subscriber acknowledges that safeguards relative to copyright, ownership, appropriateness, reliability, legality and integrity of content may be entirely lacking with respect to the Internet and content accessible through it. Subscriber assumes all risk and liability of any use of the Internet through Subscriber's account. KVH retains absolute and complete discretion to select the programming content made available by KVH through the Airtime Services, including the right to update, modify, or delete the programming content that is available through the Airtime Services or is maintained on the Terminal Equipment. However, your approval for KVH to use CPNI may enhance KVH's ability to offer products and services tailored to your needs. None of the above shall be construed to limit KVH use of other information not addressed in this Section 19 (Use and Control of Information). KVH and its Service Providers will also be free, in their reasonable good faith discretion and without notice, to provide Subscriber and user information and records to the courts, law enforcement agencies, or others involved in prosecuting claims or investigations for conduct or conditions alleged or believed to be illegal or to violate or threaten policy or the rights of any person or entity, and to maintain and use internally such information and records. Subscriber authorizes KVH to automatically charge Subscriber's selected primary credit card within five (5) days of the due date on Subscriber's invoice. If a charge is rejected by the primary credit card for any reason, then Subscriber's secondary card will be charged. There will be an additional late payment charge of 1.5% per month (or the maximum rate allowed by law) on the past due amount if credit card payments on both cards are rejected. There will be an additional charge of US dollars (\$) 25.00 for any rejection of any charge to a credit card. Even if an invoice is disputed, Subscriber must pay the invoice within the due date and must notify KVH in writing of the dispute, together with the legal basis for such dispute, within thirty (30) calendar days after the invoice due date. Any claims received by KVH later than thirty (30) calendar days after the invoice due date may be rejected by KVH. KVH will respond to Subscriber within thirty (30) calendar days after receipt of the written notice of dispute, advising on the action being taken to resolve the dispute. If KVH accepts the claim from Subscriber, KVH shall issue a credit note to Subscriber within sixty (60) calendar days from acceptance of the claim. Subscriber is responsible for notifying KVH of any changes to credit card information. Subscriber authorizes KVH to refer its account, if past due, to attorneys and/or collection agencies for further action and to notify credit reporting agencies of any defaults in accordance with law. KVH will invalidate an account PIN number and the balance on a card if the method of payment for the card is determined, in KVH's sole discretion, to be invalid.

TERM AND TERMINATION**26. Term.**

This Agreement shall begin on the date Subscriber's account is first activated and continue thereafter for the subscription period set forth on the Activation Order and initially committed to by Subscriber when signing the Activation Order ("**Initial Term**"). If the Subscriber orders new, additional or different Airtime Services during the Initial Term, Subscriber shall be subject to KVH's Airtime Rate Plan Change and Suspension Policies, which may in some cases extend the length of the Initial Term, as well as any terms and conditions applicable to such other Airtime Services.

Following the end of the Initial Term, unless sooner terminated pursuant hereto, the Agreement automatically extends thereafter on the basis set forth on the Activation Order (as renewed, the "**Renewal Term**" and together with the Initial Term, the "**Term**").

During any Renewal Term, (a) Subscribers of month-to-month Airtime Services shall be permitted to terminate such Airtime Service by providing KVH with thirty (30) days advance written notice; and (b) Subscribers of all other Airtime Services shall be permitted to terminate any or all such Airtime Services by providing KVH with sixty (60) days advance written notice; provided that in such case of (a) and (b) above, Subscribers shall remain responsible for the payment of all fees and charges incurred for the Airtime Services under this Agreement up until the effective date of termination. If Services are suspended or terminated for non-payment KVH may,

at its sole option, reactivate the Services upon payment by Subscriber in full of the past due amount, any penalties associated with the late payment and a service restoration charge. In addition, the Services may be refused, reduced or temporarily or permanently terminated by KVH immediately without notice and without incurring any liability if: (a) KVH is informed that the Services are being used by Subscriber in a manner which might adversely affect KVH's service to others; (b) KVH receives from a law enforcement agency a written finding, signed by a magistrate, that probable cause exists to believe (i) that Subscriber has used or will use the Service in violation of or to violate the law, or (ii) that the character of Subscriber's use of the Service is such that immediate action is required to protect the public's health, safety or welfare; (c) the number(s) or IP addresses utilized by Subscriber for connections is determined by KVH to have been duplicated or otherwise to be associated or potentially associated with the fraudulent use of Service; (d) KVH is requested by a Subscriber or by another Service Provider to deny Service to which the Terminal Equipment was reported to be stolen, or KVH is requested by another Service Provider to deny service to the Terminal Equipment that has been determined to be associated or potentially associated with the fraudulent use of the Service or otherwise disconnected from Service for non-payment of, or owing unpaid, service charges; (e) KVH determines that Subscriber's application for Service included information that was fraudulent, false or incomplete; (f) Subscriber uses equipment either not authorized by or on record with KVH; (g) there is unusual account activity or KVH reasonably suspects the occurrence of any other event of default or breach pursuant to this Agreement; or (h) there is a violation of the terms, conditions, laws, rules, or regulations governing the use of Service. In addition to the rights contained herein, KVH reserves the right to pursue any other remedy at law or in equity. All rights and remedies granted to KVH are cumulative and not alternate, and KVH's failure to exercise any right or remedy shall not constitute a waiver of such right or remedy of any future default by Subscriber.

28. Early Termination Fee.

If this Agreement or a Service is terminated during the Initial Term (a) by Subscriber for any reason, or (b) by KVH for cause, Subscriber will be required to pay KVH an early termination fee equal to the greater of (i) the unpaid balance of all payments remaining for the unexpired Initial Term, (ii) US dollars (\$) 1,000.00, or (iii) the maximum amount permitted by applicable law if such amount is less than the amount indicated by both (i) or (ii) above.

Further, in the event that KVH provides an emergency referral service at any time in any location, there can be no assurance that such service may be available at other times or in the same or other locations. Subscriber acknowledges that when calling any such emergency service, Subscriber's location may not be known automatically by the operator answering the emergency referral call and the effectiveness of the service will depend largely on the accuracy of the information provided by Subscriber, including without limitation information concerning Subscriber's location. Subscriber must provide the operator specific information identifying Subscriber's location.

34. Subscriber Indemnity.

Subscriber agrees to indemnify, hold harmless, and defend KVH, its subsidiaries, affiliates, licensors, Service Providers, shareholders, directors, officers, employees and agents from and against any claims relating to or arising out of Subscriber's breach of this Agreement or Subscriber's installation, use or misuse of the Airtime Services, the Terminal Equipment, or the Subscriber Equipment used in connection with the Airtime Services. Subscriber's use of a Service more than thirty (30) days after notification of amended terms, plans or prices shall constitute acceptance of such amendments. If Subscriber objects in writing to an amendment within ten (10) days after notification of such an amendment, KVH will then have fifteen (15) days to either withdraw the amendment or terminate this Agreement and the Service.

ADDITIONAL TERMS FOR KVH MINI-VSAT BROADBAND SERVICE

The following terms and conditions apply solely to Subscribers that subscribe to KVH's mini-VSAT Broadband services.

46. Fair Access Policy.

To ensure that all subscribers have equitable access to the mini-VSAT Broadband service ("**mini-VSAT Service**"), KVH has implemented a Fair Access Policy ("**FAP**"). Subscriber agrees that KVH has the right to monitor the satellite network for upload and download activity that causes disruption of data transfer rates and poor performance of the mini-VSAT Service. If Subscriber performs upload and download data activity that is excessive and contributes to the disruption of the mini-VSAT Service, KVH is authorized to temporarily limit the transfer rate at which Subscriber can send and receive data over the mini-VSAT Service without liability or to charge for use beyond the limit. Excessive use shall be determined by KVH in

its sole discretion, based on the FAP limits associated with a Subscriber's pricing plan and pro-ration of network capacity of all subscribers simultaneously using the network at any point in time. For fixed rate plan subscribers, excessive use includes but is not limited to the use of web cameras, voice or VoIP services (not marketed by and approved as part of the mini-VSAT Service), peer to peer file sharing or gaming software applications, streaming media (not marketed by and approved as part of the mini-VSAT Service), and excessively large file downloads or uploads. Subscriber will still be able to use the mini-VSAT Service but Subscriber's transfer rate will be slower. In cases of extreme and continued violation of the FAP, as determined by KVH in its sole discretion, Subscriber's use of the mini-VSAT Service may be suspended by KVH and terminated by KVH if Subscriber fails to cure the violating conditions within thirty (30) days following the dispatch to Subscriber by KVH of written notice of the violation. Subscriber agrees that KVH may use other traffic management and prioritization tools to help ensure equitable access to the mini-VSAT Service for all subscribers.

47. Remote Diagnostic Fee.

In addition to all fees associated with the mini-VSAT Service and selected rate plan, Subscriber of the KVH mini-VSAT Broadband Service agrees to pay an applicable Remote Diagnostic monthly service fee. The monthly fee for the Remote Diagnostic service will be fixed for the Initial Term and then is subject to change without prior notice.

Subscriber shall use only the VoIP Equipment with the VoIP Service. For Subscribers that receive the VoIP Service, the VoIP Equipment shall qualify as Terminal Equipment for purposes of this Agreement.

49. Use of VoIP Service and VoIP Equipment.

Subscriber agrees that the VoIP Service and VoIP Equipment are to be used solely in association with the Terminal Equipment. Subscriber may not resell or transfer the VoIP Service or the VoIP Equipment to any other person for any purpose, or make any charge for the use of the VoIP Service. 50. No Emergency (E911) Service.

Subscriber acknowledges that the VoIP Service and the VoIP Equipment do not support emergency (911) services and Subscriber agrees to refrain from using the VoIP Service or the VoIP Equipment for emergency communications.

51. VoIP Service Billing and Billing Increments.

Call times for each call are rounded up to the next whole minute and billed in full minute increments. Per call charges are rounded up to the next whole cent. All calls for which KVH receives answer supervision may incur a minimum one-minute charge. KVH relies on answer supervision to determine whether and when a call has been answered. Answer supervision is a signal sent by the carrier connecting the call to indicate the start of call. Answer supervision is generally received when a call is answered; however, answer supervision may also be generated by voicemail systems, private branch exchanges, and interexchange switching equipment. Where no answer supervision is received, KVH may commence billing forty (40) seconds following dial time unless the caller has terminated the call.

52. Account Information Website.

KVH will make available to Subscriber, directly or through its third party Service Provider, a web portal, "**myKVH**" and/or "**Enhanced VoIP Service Account Center**" ("**Web Portal**") for access to account management, feature control, data usage tracking, equipment configuration and call detail records. Subscriber agrees to review and abide by the Terms of Use for the Web Portal. All data usage measurements displayed on the Web Portal, or provided to Subscriber through the Web Portal using electronic communications such as text or email, are intended solely for guidance purposes and shall in no circumstance be construed as legally binding or used for actual billing purposes. KVH makes no assurance that it will provide Subscriber notifications regarding data usage or that such notifications will be current or accurate. Subscriber shall be responsible for tracking and monitoring all data usage and shall be solely responsible for payment of all charges, including any monthly fixed and overage charges even if the Web Portal indicates accumulated data usage during the current billing period that is under the threshold that would trigger an overage charge.

53. Reassignment of Number upon VoIP Service Termination.

Upon termination of the VoIP Service, KVH may, at its sole discretion, reassign a telephone number, access number, or Direct Inward Dialing (collectively "**Number**")

provided to Subscriber by KVH. Subscriber shall not obtain any rights, title or interest in the Number and the Number is not portable to other Service Providers. The Number is not to be used with any other device other than the VoIP Equipment provided by KVH and KVH reserves the right to change, cancel or reassign the Number at its discretion.

54. VoIP Service Distinctions.

Distinctions exist between a telecommunications service and the enhanced VoIP Service offering provided by KVH. The VoIP Service provides different functionality and is subject to different regulatory treatment than traditional telephone service. This treatment may limit or otherwise affect Subscriber's rights of redress before any governmental telecommunications regulatory agencies.

55. Tampering with the VoIP Equipment or VoIP Service.

Subscriber agrees not to modify or otherwise tamper with the VoIP Service or the VoIP Equipment in any way, including, but not limited to, changing the electronic serial number or equipment identifier of the VoIP Equipment, or to perform a factory reset of the VoIP Equipment. KVH reserves the right to terminate Subscriber's Service if Subscriber tampers with the VoIP Service or the VoIP Equipment.

For Subscribers that receive Inmarsat Airtime services, the Inmarsat terminal shall qualify as Terminal Equipment for purposes of this Agreement.

57. Usage Limitation.

When a subscription for Inmarsat Airtime services is activated, KVH may, but shall not be obligated to, impose on each Subscriber of the Inmarsat Airtime service an initial limit on the aggregate voice, data and facsimile consumption for each vessel. If imposed, this usage limit shall be set forth on the pricing plan in effect at the time of your activation. Subscribers that wish to exceed the limit must execute an Airtime Usage Authorization Form acknowledging that they understand and fully assume the risks and liabilities of such an election. KVH will accept an Airtime Usage Authorization Form only if it has been executed by the Subscriber or its authorized representative and returned to KVH.

58. Third Party Interference.

Subscriber acknowledges that, for use of Inmarsat terminals in the United States and U.S. waters, third-party terrestrial service providers using L-Band spectrum may on occasion have the potential to cause interference with Inmarsat terminals in the future where such terminals are in close proximity to terrestrial L-Band base stations. Neither KVH nor its Service Providers shall be liable or responsible for any impact that such interference may have on any terminal or related service.

59. SIM and Access Numbers.
